

Cordell Christian Home's **R**esident's Digest

by Bonnie Kliewer

Happy New Year to all of our friends who read the Resident's Digest each week!

In addition to the many scheduled and unscheduled goings-on here at CCH, we have a new regular activity added to our calendar. On Monday evenings at 7:00, one of our residents will be leading a study time "Let's look at the Bible". We appreciate W.T. Bryan leading in this Bible study and look forward to sharing this learning time together.

On Tuesday afternoon the Resident Council will be meeting. This is a time for all residents to participate in when they can discuss any ideas or concerns they have, or ask questions and make suggestions. Only one staff member is allowed to attend, someone from our Social Services department. Anything the residents discuss during the meeting is anonymous if it is their desire.

If you walk in the front door here on a Wednesday afternoon, you will be greeted with the wonderful scent of popcorn popping. This is the day we play a movie in the lobby on the big screen and the Activities department passes out popcorn to everyone. A wide variety of movies are shown, if you have a suggestion of a film you think we might enjoy, please let us know!

Visitors are welcome to join us for this fun time or any of our other scheduled activities. See you soon!
