

# *Cordell Christian Home's* **R**esident's Digest

by Bonnie Kliewer

A great big THANK YOU is extended to the City of Cordell employees and the Cordell Police Department for helping us out during the rough weather by giving rides to our employees who were not able to make it to work and home again without their help. Your assistance is very much appreciated!

Super Bowl Sunday was a great time for all here at CCH, residents and staff alike. Some cheered for the Colts, more for the Saints, many were neutral. The residents had made 'pompoms' last week in preparation for showing their team spirit and had plenty of opportunity to shake their colors during the game. Some weren't interested in watching the game and only showed up for the hot dogs, chili dogs, chips & dip, desserts and other goodies, but everyone, whether coming and going or staying enjoyed the party!

Throughout the week last week thirty residents took part in our Bingo games. Norma Moler was the winner of the total most Bingos, including 5 in one day; but Nannie Hines, Jesse Locke and Rosa Lea Skelley were right behind her. Judith Winn had a black-out on each of the three days, Margaret Frank had two and Jesse Locke, Maria Medrano and Norma Stewart each had one.

This week we are looking forward to having the children from Cordell Head Start come to visit and sing for us. Throughout the week everyone will be voting for their choice for Valentine's King and Queen. On Thursday we'll have an early Valentine's Party and crown those with the most votes.

We pray that everyone stays safe and warm whatever the weather brings, and as always, there's good conversation and a hot cup of coffee here for you! See you soon.
