

Our February Birthdays Party on Thursday, Feb. 18th was a fun time for all. We thoroughly enjoyed the cakes provided by the Cordell Bible MB Church. Pink lemonade was also served. Those celebrating birthdays in February shook their pompoms and entertained the rest of us with “Happy Birthday” and a couple of other songs on their kazoos.

Last week was also the week of Area Wide Bingo. Several of our residents traveled to Clinton to the Methodist Nursing Facility to challenge residents of nine other facilities. Our bunch came back with many prizes and also proudly brought home the overall winner’s trophy again!

In local bingo games, there was a tie for the most “bingo’s” for the week between Homer Duke and Marsha Thompson, but right behind them were Betty Arter and W.T. Bryan. Each day had some with black outs, but they were different people every day. Jesse Locke, Rosa Skelley, Marsha Thompson, Betty Arter, Norma Moler, Nadene Marquis, Homer Duke, Jr. Murphy and Judith Winn were the lucky prize winners.

Our Relay for Life team’s fundraising is underway with a successful Bake Sale last week and a Hot Dog Lunch coming up soon. The employees here are allowed to “Dress Down” and wear jeans on any day of the week, provided they make a \$5 donation to the team. We will be selling T-shirts soon that are similar to the ones our ‘Think Pink’ team wore last year, encouraging everyone with the words “Practice Prevention, Early Detection, Find a Cure”. We had a lot of inquiries about our shirts last year, so we have revamped them for everybody in 2010 as a fund raiser. This is such a great community event and worthy cause, we are proud to be a part of it!

Come by anytime, we enjoy seeing all of our neighbors and friends! See *you* soon.
