At our March Birthdays Party last week we enjoyed punch and cake, with several wonderful cakes being provided by some of the bakers at United Methodist Church. They were very much appreciated!

Margie led Story Time on Friday, starting things off with some 1982 trivia which brought out the stories! "Oh, we had a lot of laughs, that's what it was all about!"

The twenty-five Bingo players had a lot of fun as well, on Tuesday, Thursday and Friday. Norma Moler and Margaret Frank tied for first place for the week, with W.T. Bryan only one bingo behind them. Jesse Locke and Judith Winn were the only ones who accomplished more than one blackout, but six others managed to get one each.

Last Thursday, Bob Bond, W.T. Bryan, Maria Medrano, Marsha Thompson and Bernice Reeves traveled to Weatherford Living Center to represent us at Area Wide Bingo. They didn't bring home the trophy this time but had a great time and each won many prizes.

This week we are looking forward to having some of the Cordell School children stop by to sing for us and hunt Easter eggs out by the gazebo.

We're still waiting for that ideal spring weather to be able to spend more time outside. It's on its way!

Have a wonderful Easter weekend everyone. He is risen. He is risen indeed!
See you soon.
