Spring rains have been bringing out the dandelions and greening up the grass, next will come the lawn mowers.

In local Bingo competition this week, Jesse Locke won a close race with Norma Moler, Janet Daughy and Margaret Frank, who were just barely behind him. We missed some of our volunteers on Friday due to other things going on in their lives. If you would like to get in on the fun, we have this and other opportunities available for those who would enjoy sharing some of their time volunteering with our activities department, just give them a call.

Tuesday of this week was Volunteer Recognition Day, and we would like those who give of their time at Cordell Christian Home to brighten the days of our residents, to know just how very much we appreciate each one of them!

Last week we had another party of cupcake decorating, bringing out our creativity using lots of different candies and sprinkles, etc. This week we'll be making sun catchers and other fun crafts.

In Margie's Reminiscing session, the group shared experiences with the old coffee pots and teapots, and heating water for doing dishes among other things. This bunch sure has a lot of fun looking back at the good old days.

The CCH Relay for Life team had a successful Mexican Lunch fundraiser on Friday thanks to our great supportive community. We have a good team this year and they've worked very hard so far.

We'll be having a Craft Sale and Silent Auction during the first week of May, if anyone has items they'd like to donate toward this we would welcome those. Then come on by to bid, there will surely be something you can't live without, and you'll be supporting a great cause at the same time. See you soon.
