With April coming to a close this week and May Day ushering in a new month, we're looking forward to many, many activities in the near future.

Mother's Day is always a bright spot, with our Mother's Day Tea held on the Friday before; then during National Nursing Home Week our Activities Department always shines by somehow getting us all to go a little crazy with games and costumes.

Other holidays and highlights will keep our calendar filled as well.

This past week was full of Bingo excitement again, as 5 residents escorted by Administrator Sheryl McComas traveled to Corn for Area Wide Bingo, bringing home the big trophy once more!

Leona Maupin, Viola Rich, Janet Doughty, Norma Stewart and Jesse Locke were the big winners who also brought home many prizes for themselves.

In Bingo play here last week Rosa Lea Skelley was the champion, with Judith Winn and Margaret Frank hot on her heels, in spite of Margaret's surgery on her hand earlier in the week.

Out of the 25 total players, Judith Winn and Jr. Murphy were the only ones who got to choose two Blackout prizes.

Margie's gang of Storytellers gathered to listen to some funny things said by grandchildren to their grandmothers, then all had some sweet tales to tell themselves on that subject.

This week we're looking forward to celebrating those who have had birthdays during the month of April before the month gets away from us.

The CCH Relay for Life team will be starting the month off with a Silent Auction and Craft Sale during the first week of May. Your bids will be accepted from Monday the 3<sup>rd</sup> through Friday afternoon on May 7<sup>th</sup>. See you soon!
