

# *Cordell Christian Home's* **R**esident's Digest

by Bonnie Kliewer

Last week we were blessed with the joy of many little voices singing, playing and greeting the residents and staff. On Wednesday the Cordell Kindergarten and Pre-K children stopped by to sing their Easter songs for us; then we enjoyed watching them hunt Easter eggs and have a snack before they headed back to school. They (and their teachers) all did a wonderful job.

Easter weekend brought guests for many of the residents and several were able to go out with family members or friends for the day, or at least a part of it. It's always wonderful to have our halls buzzing with the conversations and good times shared with visitors.

Hummingbirds were the topic of conversation during the Reminiscing session last Friday. How and when to feed them and many other details and experiences were all shared about these amazing little creatures.

Margaret Frank led the pack in Bingos last week, and Jesse Locke was second, even though Ruby Wyatt was the single-day champion with 10 Bingos in one day! Out of 25 players for the week, Norma Moler was the only one with two blackouts, but Leona Maupin, Jesse Locke, Florence Smith, Margaret Frank, Judith Winn and Jr. Murphy each received one blackout prize.

The CCH Relay for Life Team is planning a Mexican Lunch as a fund raiser for next week Friday, the 16<sup>th</sup>. This will be just like last year's, which seemed to be a big hit all over town. We'll be coming around with flyers and order forms again, but if we miss you be sure to give us a call for your orders.

We're planning our own style show for Thursday afternoon when we have a hat parade. And as we do each week, we'll have a devotional time on Wednesday morning with Tim Turpin. We appreciate all the time he takes to stop by for his regular visits.

Feel free to start some of your own conversations and sharing times here within our walls. We promise you'll have a good time – just as we do every day! See you soon.
