

Cordell Christian Home's
Resident's
Digest

by Bonnie Kliewer

Life is back to normal at Cordell Christian Home this week after the fun and games of National Nursing Home Week. Our Activities crew did a great job of helping us celebrate each day. Highlights would include the Hat Relay, the Big Bingo Game for everybody with loads of prizes, and the Talent Show among others.

When just the residents played their regular Bingo games, from the 24 players, 6 had blackouts, and Jr. Murphy had 2 of them. Jesse Locke was the runaway Bingo winner, even though he had none one day, he had 17 on another day! Some of us will be traveling to Weatherford to play in the April Area Wide Bingo gathering this Thursday. Best of luck to all the players.

Our Relay for Life Team is looking forward to the big event this Friday. We had a great time playing softball last Saturday and really appreciate the Fire Department for putting the Relay Tournament together, even though our team didn't place. There's always next year.

We usually see a lot more children's faces around here during the summer, so as soon as school is out this week we'll be looking forward to having them come around. We wish all the school children a happy and fun summer.

We wish all the parents a safe and fun summer too. Come on by for a visit and bring the kids, we're always glad to see you. Like we've said, the coffee's always on, and on a hot day, so is the iced tea! See you soon.
