Happy Summer to you all! This first week of summer is bringing it in right with hot dry days to welcome us to the new season.

Last week at CCH we kept cool with many fun indoor activities. Playing games, keeping up on current events and reminiscing on old ones, Bible Studies and Beacon reading, visiting and sharing meals together, and many other goings on made for busy days.

Margie's Gabbing Group talked about old favorite recipes they loved from their own kitchens and their mother's kitchens. A scoop of this and a pinch of that, and I'm sure it was all very tasty. Remembering all those goodies probably brought smiles and made some mouths water, too.

When the Bingo players got together, W.T. Bryan took the "most bingo's" honor for the week out of the 22 who took part. Blackouts were two-a-day and the prize pickers were Viola Rich, Judy Winn, Norma Stewart, Doris Oliver, Jr. Murphy and Margaret Frank.

This week Thursday we will be celebrating everyone with a birthday in June at our afternoon party. Seven residents and six employees will be the honorees.

According to my sources, this week celebrates both World Handshake Day and National Handshake Day. Greet your neighbors with a hearty handshake and a summertime hello. And we'll be happy to shake your hand when you come to visit us anytime this week! See you soon.
