

Cordell Christian Home's **R**esident's Digest

This week the year 2010 is officially half over. My how time flies when you're having fun! The definition of fun is different for everybody, and our Activities Aides attempt to plan a wide variety of good times and include everyone in the fun.

Margie's Conversation Corner on Friday was another interesting round of stories and memories. This week they chatted about varmints and critters, coyotes in the hen house and things that made calves and lambs disappear and so forth. Everyone's got a story about something they've had to chase out of their yard or an unwelcome visitor on the porch!

In the Bingo circle last week, W.T. Bryan took the "most bingo's" honor for the second week in a row out of the 21 who took part. Blackouts were two-a-day again! The prize pickers this week were Judy Winn, Norma Stewart, Dorothy Davis, Jr. Murphy Bernice Reeve and W. T. Bryan.

Area Wide Bingo was on Thursday at the Thomas Nursing Center. Jesse Locke, Norma Stewart, Bernice Reeve, Bob Bond, and Judith Winn represented CCH and each brought home armloads of prizes and fun memories.

This week Thursday the creative bunch will be decorating another batch of cupcakes, this time in red, white and blue for the 4th. On Tuesday they made patriotic decorations for the resident's doors.

Our CCH family will be celebrating Independence Day this Friday at 6:00 in the evening with our annual Fourth of July Family Picnic. Our indoor picnic always brings out a crowd for grilled hamburgers and hotdogs, great music and good fun and fellowship.

We wish everyone a safe and enjoyable holiday weekend, come and share your stories with us ~ we've got lots of good listening ears and some stories to tell of our own. See you soon.
