

The calendar of Special Days, Weeks and Months lists this week as having several interesting designations, including

- Simplify Your Life Week
- National Clown Week
- Single Working Women's Week
- Hobo Week

This week also includes a special day on Sunday, the 8th, which makes one wonder how in the world it came about. It's "Sneak Some Zucchini Onto Your Neighbor's Porch Night". Sounds like a holiday for Iris – she's the one being very generous with her garden's bounty!

If any of these apply to you, I hope you have fun celebrating this week. Make each day a special day for you or *your* neighbor.

HAPPY BIRTHDAY

"IT MAKES NO SENSE TO WORRY ABOUT THE FUTURE.
BY THE TIME YOU GET THERE, IT'S THE PAST!"

ON THE
THIRTY-THIRD
OF JANAUGUST

**On the thirty third of Januaugust,
right before October,
a strange thing didn't happen
that I always won't remember.**

**At eleven in the afternoon,
while making midnight brunch,
I poured a glass of sandwiches
and baked a plate of punch.**

**Then I climbed up on my head to see
the silver sky of green,
and danced around my feet because
I'd turned eleventeen.**

**A parade began to end
and music started not to play,
as rain came out and snowed all night
that warm and sunny day.**

**That was how it didn't happen
as I keenly don't remember,
on the thirty third of Januaugust,
right before October.**

Getting old is a fascination thing. The
older you get, the older you want to get.
