

# Cordell Christian Home's Resident's Digest

By Nicole Allen

It is beginning to look a lot like Christmas here at the Cordell Christian Home! The fire is going, Christmas decorations are up, and the famous Cordell Christian Home tree is standing tall in the lobby! December has put the Christmas spirit in full bloom in all of our hearts at CCH.

On Sunday the Cordell Christian Home staff and residents put up the 12 foot tree and decorated it from top to bottom. It was a full day event but the work was worth it because it looks beautiful! The tree is filled with white lights and brown, gold, and red ornaments hang from the branches! Day or night it is a sight to see!

If you have never stopped by the Cordell Christian Home to see the famous tree then we encourage you to do so! Even driving by at night and seeing the lights through the lobby doors brings a warm feeling to a Christmas-lover's heart! December will also bring some new and exciting activities for our residents to enjoy so feel free to come on by whenever you like! The fire is warm and we will be waiting for you!
