## A New Season - A New Month

Get ready for the great month of March! It is again the month of rejuvenation! It's Spring!

Get ready to wear green! The 17<sup>th</sup> is St. Patrick's Day! Remember though, St. Patrick's Day is not all about going to "pubs" and kissing the Irish. In the 1700's soldiers used St. Patrick's Day to reconnect with their Irish heritage and many Christians use it as a day to remember the great Saint Patrick! So look up some Irish history and celebrate on the 17<sup>th</sup>!

Then on the 20<sup>th</sup> Spring begins! It is time to start working on that garden again! Flowers will bloom, the weather won't be as unpredictable, and children will be able to play outside whenever they want again! So get ready to get down and dirty because the winter has passed and our flowers are begging for some water and attention!

March is truly a great month and we should all be excited for it to be here. We may experience some Spring showers but that is only a sign of new life and hope! As you watch the new flowers bloom this season, learn to take advantage of the Spring just as the flowers do. Rejuvenate yourself and make yourself better than last year! Everybody will stop and admire you, just as they do the new Spring roses.

*We Went to New York City*  
By  
Pat Dodds

We went to New York City,  
but we never saw Times Square.  
We just saw Uncle Henry  
and played lots of solitaire.

We drove up to Niagara,  
but we never saw the Falls.  
We stayed in Cousin Ernie's  
house.  
I almost climbed the walls!

We traveled down to Florida  
to see our Auntie Sue.  
We never went to Disney World  
like other people do.

We drove to Arizona  
just to see Great-Grandpa Clark.  
I wish we'd had the time to see  
Grand Canyon National Park.

And then we took a little trip  
to Washington DC.  
We didn't see the White House  
'cause we stayed with Aunt  
Marie.

We even went to California  
several years ago.  
We never got to Hollywood,  
but we saw Grandma Flo.

So why'd we stay with relatives  
no matter where we went?  
It's 'cause my daddy is so  
cheap—  
he will not spend a cent.
