

# Cordell Christian Home's Resident's Digest

By Nicole Allen

It's another new and exciting month here at the Cordell Christian Home! Our resident's favorite activities are on the calendar, a St. Patrick's Day party is being planned, and Spring is finally going to begin again. Residents and staff are so happy that March has begun!

The CCH activity team has put together the new March activity calendar and it is full of our resident's favorite activities. Bingo, Exercise, Devotional, Conversation Times, Trivia, Country Store, and Comedy Club are all on the calendar! Each day of the month is filled with plenty of great activities! It will be impossible for anyone to get bored this month!

On the 17<sup>th</sup>, it's not just the Irish that are going to be celebrating. CCH is going to have a fun little St. Patty's Day Party as well! There will be Irish music, green costumes and decorations, and Irish luck surrounding everyone! The party will begin at 1:30 and we would love for you to join us.

Although activities and parties are always exciting to hear about at CCH, the thing that our residents and staff are truly looking forward to this month is the change of season! It is finally Spring again and we will get watch the flowers bloom and the kids play outside. The fireplace can take a rest while we warm ourselves up with the wonderful heat of the sun! It is the season for nice strolls outside and getting dirty in the garden and we can't wait!

This month, like every other month is going to be wonderful! We are going to have lots of fun inside and outside of the Cordell Christian Home! The sun is coming out this week and we are going to get a head start on this wonderful spring season. We hope to see you soon!
