

Resident's RDigest

IN HOME JOURNAL

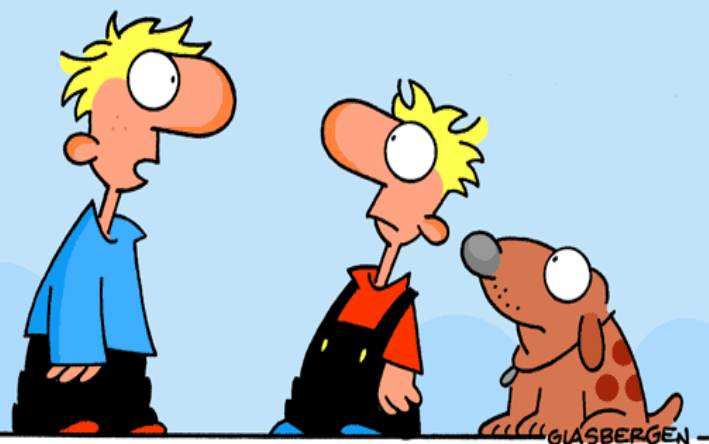

November

November is one of the greatest months of the year. The trees are turning colors that warm the heart and the weather is cooling to kick off the holiday season. The month started off with Daylight Savings Time on the 1st when we all turned our clocks one hour back; creating the feeling of being able to sleep in for an extra hour.

Then, on November 11th, our American Flags will be raised when we salute our brave veterans on Veterans Day. Some residents will also be participating in the Veterans Day Program at the Cordell High School Auditorium where the Cordell High School Band will pay tribute to all areas of the armed forces.

The month will continue to be special as Thanksgiving draws near on the 26th. But on Sunday, November 22nd, CCH will celebrate its annual Resident's Thanksgiving Dinner at noon. Surrounding family and friends puts a smile on our resident's faces and makes us all remember what we have to be thankful for.

This month will not only be exciting but very uplifting. Residents and staff can reflect on the memories of their family and friends and thank God for the gracious things He does in our lives. This month is going to be wonderful and residents can't wait to see and spend time their loved ones!

Poor Cinderella

Poor Cinderella, whose stepmom was mean,
could never see films rated PG-13.

She hadn't a cell phone and no DVD,
no notebook computer or pocket TV.

She wasn't allowed to play video games.

The tags on her clothes had unfashionable
names.

Her shoes were not trendy enough to be cool.

No limousine chauffeur would drive her to
school.

Her house had no drawing room; only a den.

Her bedtime, poor darling, was quarter past ten!

Well one day Prince Charming declared that a
ball

would be held in his honor and maidens from all
over the kingdom were welcome to come
and party to techno and jungle house drum.

But Poor Cinderella, with nothing to wear,
collapsed in her stepmother's La-Z-Boy chair.

She let out a sigh, with a lump in her throat,
then sniffled and picked up the TV remote.

She surfed channel zero to channel one-ten
then went back to zero and started again.

She watched music videos, sitcoms and sports,
commercials and talk shows and weather reports.

But no fairy godmother came to her side
to offer a dress or a carriage to ride.

So Poor Cinderella's been sitting there since,
while one of her stepsisters married the Prince.
She sits there and sadly complains to the screen,
if only her stepmother wasn't so mean.

Weekly Devotional

Do Not Be Fearful

When I am afraid, I will trust in you. In God, whose word I praise, in God I trust; I will not be afraid. What can mortal man do to me?

Psalm 56:3-4

Know that the Lord is always by your side. He will not place anything in front of you that you cannot handle. Do not be fearful of what is ahead; instead, thank God for each day He gives you.
