

Cordell Christian Home's Resident's Digest

By Nicole Allen

On Thursday, September 3rd, the Cordell Christian Home had one fun filled day! Faith Hospice put on a carnival for all of the Cordell Christian Home residents and they brought refreshments and carnival games. When Faith Hospice comes by, days are always exciting and Thursday did not fall short of our expectations.

The carnival began at 2:30 that afternoon. Faith Hospice and our own activity team member, Iris Wilkes, started the carnival off by making some sweet snow cones! Faith Hospice brought their very own snow cone maker and had a variety of sweet flavors for our residents to pick from.

After everyone devoured their snow cones, the fun really began! Not only did Faith Hospice bring the refreshments but they also brought a load of games that kept residents and staff entertained for quite a while! They brought tossing games, hula hoops, and even rubber Yo-Yos! Every resident had a smile on their face and they all seemed to have memories of their childhoods flying through their minds.

Residents who participated in the carnival were Betty Arter, Jacob Black, Betty Brooks, Dixie Drake, George Drake, Homer Duke, Margaret Frank, Shanna Goree, Gussie Gregg, Frieda Hines, Nannie Hines, Juanita Hoefar, Evelyn Loftiss, Maria Medrano, Norma Moler, Jr. Murphy, Alfred Reeve, Bernice Reeve, Rosa Skelley, Florence Smith, Marsha Thompson, Annette Westreicher, Homer Williams, and Judy Winn.

The Cordell Christian Home would like to thank Faith Hospice for again stopping by just to make our residents smile. Residents are always excited when they see a Faith Hospice activity on the month's schedule because of the love and kindness that each visit brings. Residents and staff had so much fun on Thursday and we are counting down the days to when Faith Hospice can come by and have fun again!
